REPORT OF LIBRARY TRUSTEES

Books are our friends and every year more people are learning this fact for themselves. We may well rejoice at the great gain in circulation of books from the Boscawen Library this past year. Doubtless there are many contributing factors to this increase, among them a few instances of unemployment giving more time for reading, the readers in Penacook in the Congregational Church Reading Contest, the summer Reading Club work with the boys and girls, and the increased number of non-fiction books so interestingly written. Here are the figures which show how we have gained:—

Fiction in 1929, adults 7,937, juvenile 2,153; in 1930, adults 9,340, juvenile 3,188; Non-fiction in 1929, adults 847, juvenile 967; in 1930, adults 1,180, juvenile 1,407; total in 1929, 11,904; in 1930, 15,115. Magazines 497 and 636.

The excellent work with the boys and girls has continued to prosper. There were eleven story hours, six at Penacook, and five at Boscawen when the children showed by their close attention how much they appreciated the stories with which the different teachers so kindly entertained them. Four books telling how to make things were added to the reading list at Boscawen. The older girls and boys by following the instructions given in these books made very attractive articles with needle and thread and with carpenter tools. These were exhibited at the library and at the local Grange fair.

During Book Week, Miss Marion Boothman, assistant secretary of the Public Library Commission, awarded certificates to twenty-one boys and girls in Penacook; Mrs. Katharine Ayer entertained them with stories and the children presented the play "Mistress Mary's Rosebush". There were 145 in attendance. At Boscawen, Mr. G. W. Sumner, chairman of the Board of Trustees, presented cer-

tificates to forty-six boys and girls; book reviews were read, suitable songs given and two plays presented with the kindly cooperation of the local school teachers. There were 125 present.

Our resourceful librarian assisted by Mrs. Emma Flanders met the expense of a booth at the Grange fair by selling pop corn to the patrons. In their very attractive booth the exhibit included new books, mended books, a drawer from the new card catalog, magazines to be found on the reading table in the library and the articles made of the boys and girls.

The new card catalog is completed, a much needed and greatly appreciated addition to the library equipment, the entire expense being only \$339. The work of changing the classification numbers on the books of non-fiction will be done as soon as warm weather comes.

"Lands and People", a fine set of books, has been added to the library and we hope both old and young will become acquainted with these instructive and entertaining volumes so charmingly illustrated.

The librarian attended two neighborhood library meetings during the year, one at Epsom and the other at Belmont. Her assistant, Mrs. Emma Flanders, and Mrs. Ranney, secretary of the Board of Trustees, were able to accompany her to the meeting in Epsom.

We express sincere appreciation of the gift of books from the following people: Rev. O. W. Peterson 33, Mrs. Alexander Duquette 22, Mr. and Mrs. George B. Colby 20, Mrs. Clara K. Ayers 21, Horton Blake 6, Mr. and Mrs. W. G. Buxton 6, Mrs. Lizzie Gerrish Willard 4, Mrs. Littlefield 3, Mr. F. L. Gerrish 2, Mr. W. B. Ranney 2, and one each from Mrs. Colton, Mrs. Donald Hale, Mrs. Addie Jackman, Janet Harris, Herbert Farnum, George Nerborne, Harold Pillsbury and the Senior Class of Penacook High School.

There were 38 books rebound and 440 new books added to the library the past year.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

The sudden growth of the schools noted in last year's report seems to have come to a standstill. The membership today is seventy-eight, the same number as at this time last year. The Plains Schools are slightly larger than a year ago and Water Street School is smaller, having now only six pupils.

The Attendance Table shows an excellent per cent of attendance for both schools at the Plains and for Water Street. You will note that Water Street corrected its poor record of tardiness made the previous year. The tardiness record at High Street, too, was good. During the first half of the current year Water Street has had no tardiness at all, and its attendance record is almost 100 per cent.

Improvements the past year include a chemical toilet at High Street and an added blackboard at Water Street.

During the year a start has been made in the towns of the Union toward introducing new textbooks in Arithmetic, Geography, History, Language and Hygiene. This is usually being done gradually as the older books are wearing out.

I am pleased to report that at the present time schools are being conducted with more than usual smoothness. There are no important disciplinary problems. No lack of co-operation between parents and teachers has come to my attention.

Respectfully,

GEORGE W. SUMNER,
Superintendent of Schools.
